

Executive Search Solutions

Morgan Hunter HealthSearch (MHHS) provides executive search and interim leadership solutions for hospitals and health systems throughout the United States. MHHS utilizes a niche-based approach combining the scope of a national firm with the high-level, personal touch of a client-centric organization. Our services fulfill roles at the Chief, VP, Director and Manager levels.

MHHS **Executive Search Services** provide:

- Permanent search solutions at the Manager level and above.
- A performance-based retained search process designed to provide the service and guarantee levels of traditional retained search with the shared risk and cost savings of a traditional contingent search.

Why utilize MHHS **Executive Search Services**?

- Performance-based process that requires deliverables be met in order for us to receive our full fee.
- Focused exclusively on healthcare leadership positions.
- Travel to our client site at the beginning of each search to meet with key stakeholders and gain an in-depth understanding of the position and organizational culture.
- Provides an extended candidate guarantee: 1 year for "C" suite and 6 months for all other searches.
- Limits ordinary search expenses to a flat \$1,000, which includes our travel to start each search.
- Our staff averages over 25 years of professional experience.

Barry Jackson, President
